

Palmers Green Safer Neighbourhood Team News

Apologies for the lack of newsletters the last few months. We have recently said goodbye to one of our police officers, PC Penders. He has moved to a new team away from Safer Neighbourhoods and had spent the last few months of his time on the team working with residents and other agencies to get a successful closure order for a property that had been causing a lot of concern and upset due to anti-social behaviour and drugs. We wish him well on his new team with new challenges. We are looking forward to welcoming his replacement soon. Watch this space.

We have also welcomed to the team a new Police Community Support Officer, PCSO Malgorzata Marzec along with a PCSO Jolanta Kurzynska to Highfield Ward which previously was part of Palmers Green Ward. Say hello to them if you see them around the area. They would like to get to know their new area and residents and understand the problems.

In March we added some extra resources for the day under Operation Elbert in form of some drugs dogs who helped us seize drugs and paraphernalia from a number of locations across Palmers Green ward. Also locations on Arnos Grove ward, Bowes ward and New Southgate ward.

We are looking to complete more of these operations in the near future.

Welcome to the latest Palmers Green Ward Safer Neighbourhoods Newsletter. This edition covers a summary of the crime figures on Palmers Green Ward for June, July and August 2024.

One phrase we hear a lot while walking around Palmers Green area. *"We don't see enough police officers."*

Policing is challenging.

It's not for everyone but could it be for you?

We need more people with a drive to protect others and who are courageous, empathetic and respectful.
